Prices

Please note that prices are subject to change without notice, by Third Wheel Trailers Inc. Note also that the advertised price can vary, especially if it's an international transaction. Exchange rates, cross border fees, international transaction fees, exchange fees and so on are not within our control, and the exchange fluctuation at the time of your payment when processed, cannot be 100% guaranteed as the amount quoted and that the amount that shows on your statement will match exactly.

Each US or International shipment has duty and border crossing fees, which are imposed by the border and customs agencies, and have nothing to do with the pricing here at Third Wheel Trailers. We can also accept electronic transfer of funds, bank drafts and even cheques. Cheques however must be paid in full about 6-10 prior to shipping, to ensure they've cleared all banking channels.

Note: \$500 is not refundable if an order is cancelled due to no fault of Third Wheel Trailers Inc! Also, shipping fees are not refundable on returned items. These charges are paid out already and we cannot get them back

Delivery/Shipping

A Trailer can be delivered to your door, place of business or dealer nearest you. However, the most cost-effective means to ship is a trucking terminal near you, and you pick it up from this point. Note though, residential shipments have a higher shipping premium due to access restrictions, and sometimes the shipment has to be placed on a smaller truck in order to get into the residential place of delivery.

Airport or Seaport Delivery

Air or Sea freight to major city airports only. Any price quoted is for airport delivery unless otherwise stated and does not include any cost involved in clearing Customs. Examples on Customs charges are best to our knowledge to be accurate and proven. To find out more, please quote Tariff code: 8716.80.5020 to your customs agent for future information.

The consignee should receive a call from the Shipping company or Airlines on arrival. Alternatively, the consignee can call them, as they will have the information from their track and trace. (Way Bill) Consignee will be asked to clear customs for which they will be required to present to the customs office the freight documents that will be received from the carrying Airline. Customs will process and charge a small fee. You will then be able to collect your trailer.

Procedure on Arrival

All shipments go as follows. When the Trailer arrives to a terminal near you, they will then call you to arrange the delivery, and make sure someone is there (more so if residential) to receive the shipment. When it arrives via Transport Truck, simple check the package to make sure **no damage** has taken place in the process of the trip, **ONLY THEN** sign the drivers paper work and you're on your way.

Color matching

We do our best to match the color/s on your bike if you desire, if and when the exact paint is available. However, we are cannot guarantee a complete and perfect match due to sun fade, paint variation and/or painting condition variations or unknown applications to us with a lot of the new paints now a days. Also, charges for candy and pearls, or Tri-stage paints get a bit more costly, but of course because they look so amazing, they do cost more.

Warranty

All Trailers have a full warranty for 12 months unlimited miles for materials and workmanship. We do not guarantee the fitness for use with any bike nor do we guarantee that every bike is compatible with our trailer. We do our very best to offer a fantastic product and offer hitches for bikes that we believe to be compatible with the Third Wheel Trailer.
